

### CPD that Fits into your Busy Schedule

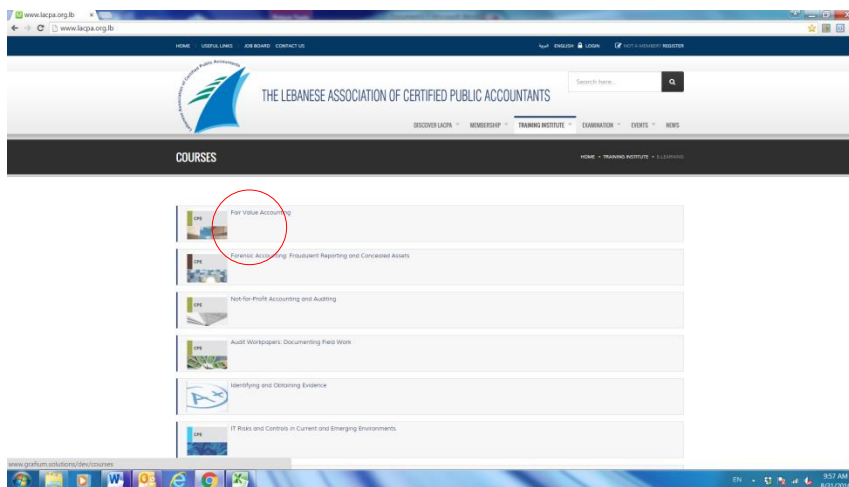

We know your time is limited and valuable. Between building a meaningful relationship with your clients and keeping up with the latest standards and regulations without sacrificing your personal time, there is little time left.

This is why LACPA and AICPA are collaborating together to offer online CPD courses to best accommodate your needs and busy schedule. These courses, focused on hot topics such as Fair Value Accounting, Risk Assessment, and Ethics, can be taken from any computer, anywhere, at any time. Take advantage of this excellent offering **with highly competitive and affordable cost** by clicking [here!](#)
